INTERVIEW SUMMARY

Sir:

On June 26, 2007, the undersigned spoke with Examiner Arvind Moorthy regarding the present application. Per Examiner Moorthy's Interview Summary, the rejections under 35 USC 112 have been withdrawn.

Subsequently, on July 26, 2007, the undersigned spoke again with Examiner Moorthy regarding the status of the present application. Examiner Moorthy indicated that the application was allowed and that the paperwork had been submitted for allowance. He further indicated that he expected that the Notice of Allowance would go out on or about Monday, July 30, 2007. As of this date, August 2, 2007, the undersigned has not received a Notice of Allowance and sees no

indication of one on PAIR. Accordingly, this Interview Summary is being submitted to clarify the undersigned understanding that no further action is required on his part since a Notice of Allowance is expected to arrive shortly.

On this date, in a further telephone call with Examiner Moorthy, he confirmed that USPTO's internal system indicates that the allowance has been counted. Hence it is apparent that allowance is forthcoming and no further action is required by the undersigned.

Should this status change such that a Notice of Allowance is not to be expected to be mailed for any reason, the undersigned hereby requests that the Examiner notify the undersigned at the earliest possible date so that further action can be taken to avoid abandonment and unnecessary expenses for extensions of time.

Respectfully submitted,

/Jerry A. Miller 30779/
